## SEND Information Report

2025-2026

School Policy and procedure		
<b>Parent/carers questions</b>	<b>Key information</b>	<b>Links to SEND Code of Practice (2015)</b>
<b>What kinds of SEND do pupils in the school have?</b>	<p>Broadhembury CE Primary School is a mainstream primary school with children taught in mixed age classes. The school caters for a range of SEND needs; including Communication &amp; Interaction, Cognition and Learning, Social, Emotional and Mental Health and Physical &amp; Sensory Needs.</p> <p>Broadhembury is an inclusive school where we have high expectations for all our pupils and are committed to offering a positive learning environment and the opportunities for children to succeed and reach their full potential regardless of their need or ability.</p> <p>More details about this can be found here  <a href="https://www.broadhembury.thelink.academy/special_educational_needs">https://www.broadhembury.thelink.academy/special_educational_needs</a></p>	<b>The kinds of special educational needs for which provision is made at school</b>
<b>How do you know if a pupil needs extra help?</b>	<p>A range of information is considered when deciding if a child/ young person requires additional support in school. This process is overseen by the SENDCO and draws on the views of many different people including the child, the parent, the class teacher and other adults working with the child.</p> <p>Teachers track pupil progress each term and this is discussed with the Academy Head at Pupil Progress meetings. Where there is a concern about pupil progress, this is shared with the SENDCO.</p> <p><b>What specific systems are in place to quickly respond to difficulties in learning?</b></p> <p>All adults in school are continually monitoring the children and will quickly pick up if they aren't making the expected progress academically or if there are concerns about their Social, Emotional and Mental Health.</p>	<b>Information about the school's policies for identification and assessment of pupils with special educational needs</b>

## SEND Information Report

2025-2026

	<p>When a concern is identified, teachers will review the Ordinarily Available Inclusive Provision (OAIP) for the child and where they are needing additional support. A plan will then be made for this support and this will be regularly reviewed.</p> <p><b>What systems are in place for spotting pupils who may have unidentified needs?</b></p> <p>Opportunities for Teachers to discuss the progress of children with the Academy Head and SENDCO</p> <p>Teachers will discuss any concerns raised by parents/ carers. Where needed, this will also include the SENDCO</p> <p>Observations by the SENDCO</p> <p>Use the following screening tools and assessments to help identify the area of need:</p> <ul style="list-style-type: none"><li>• A language screener</li><li>• TALC assessment</li><li>• Dyslexia Screeners</li><li>• HAST-2 Spelling</li><li>• Phonic Assessments</li><li>• Reading Assessments</li><li>• Teacher assessments</li><li>• Needs Indicator Tool</li></ul> <p>Each term, the school SENDCO will meet with the Inclusion Lead for their Hub to discuss the needs of the children in the school and plan support. This might include further assessment, an observation by the Inclusion Lead, Early Help or an Educational Psychologist triage.</p>	
<b>Day to day support</b>		
<b>How do teachers help pupils with SEND? How will the school support my child?</b>	We follow a Graduated Approach to meeting pupils' needs, starting with Ordinarily Available Inclusive Provision (OAIP).	<b>The school's approach to teaching pupils with SEND</b>

## SEND Information Report

2025-2026

	<p>Teachers adapt and personalise the curriculum to meet the range of needs and abilities within each class. This will look like: explicit instruction, scaffolding, responding to children's strengths and interests, short bursts of learning, regular movement breaks, use of technology and following the Relational Approach.</p> <p>Where children are not making progress with this support alone, we will look at what targeted support is needed to help the children make expected progress so they achieve in line with their peers.</p> <p>Targeted Support might include:</p> <ul style="list-style-type: none"><li>• more frequent and deliberately planned use of OAIP strategies</li><li>• use of additional resources or equipment</li><li>• targeted intervention either in the classroom, or in a separate space</li><li>• some additional time with an adult</li></ul> <p>We follow a Graduated Approach to support which includes assessment of need, planned support, implementation the support and assessment of impact. This is shown in the diagram below:</p>

**How will the curriculum be matched to my child's needs?**

If there are concerns about a child's learning progress, social and emotional well-being, communication skills or physical abilities, teachers will access support from the school SENDCO and they will work collaboratively with parents/ carers to make a plan of support.

**How adaptations are made to the curriculum**

2025-2026

	<p>As part of this, they will use the Devon Needs Indicator Tool to identify the specific areas of need. From this, we will then use the Ordinarily Available Targeted Support document to identify what provision needs to be in place to enable to child to make progress.</p> <p>When needed, the SENDCO will also access support from the Inclusion Lead for their Hub. This might be for advice, observations or further assessments.</p> <p>Children on the SEND register will have an individual, or be part of a class, Provision Map which will outline the personalised adaptations to the curriculum and any strategies and resources that are in place to ensure access to the curriculum.</p> <p>As part of the Graduated Approach, these Provision Maps are updated each term and shared with parents/carers.</p> <p>The support offered at our school is divided into three areas: the Ordinarily Available Inclusive Provision, the Ordinarily Available Targeted Support and Specialist Support.</p> <p>Ordinarily Available Targeted Support includes adaptations and support in class and may include time-specific, targeted interventions both in and out of the classroom.</p> <p>Specialised support will incorporate individualised and bespoke support and may include Multi-agency support.</p>	<p><b>and learning environment</b></p>
<p><b>Is there any additional support available to help children with SEND?</b></p>	<p>We will adapt how we teach to suit the way the pupil works best. There is no 'one size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child.</p> <p>These adaptations include:</p> <ul style="list-style-type: none"> <li>• Adapting our curriculum to make sure all pupils are able to access it, for example, by grouping, 1-to-1 work, adapting the teaching style or content of the lesson, etc.</li> <li>• Adapting our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, offering visuals and concrete resources etc.</li> </ul>

- Adapting our resources and staffing
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Teaching assistants will support pupils on a 1-to-1 basis when there is an identified need that can't be otherwise met; this may often be because they have an intervention requested by an external professional such as an OT or speech & language therapist. As a rule, children do not access 1-1 support even with an EHCP unless there is a clear rationale for this.
- Teaching assistants will support pupils in small groups when they need to deliver an intervention that requires a more focussed approach, this may take place outside the classroom.

Examples of support include:

Communication and Interaction	Cognition and Learning	SEMH	Physical/ Sensory

	<p>Resources are allocated across the school depending on the needs of the children. This is done by the Academy Head and SENDCO.</p> <p>The detail of the provision is written on the child's Provision Map and these are shared with parents/ carers when they have been written. We welcome input from parents/ carers to these Provision Maps.</p>			
How will the school know how well my child is doing?	<p>Teachers continually monitor the progress that is being made by the children and this is reviewed on at least a termly basis.</p> <p>Your child's class teacher will meet you regularly (termly or as required), to:</p> <ul style="list-style-type: none"> <li>• Set clear outcomes for your child's progress</li> <li>• Review progress towards those outcomes</li> <li>• Discuss the support we will put in place to help your child make that progress</li> <li>• Identify what we will do, what we will ask you to do, and what we will ask your child to do</li> </ul> <p>The SENDCO may also attend these meetings to provide extra support where requested.</p> <p>We know that you're the expert when it comes to your child's needs and aspirations. We want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.</p>

	<p>We also want to hear from you so that we can build a better picture of how the SEND support we are providing is impacting your child outside of school. If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.</p> <p>After any discussion we will make a record of any outcomes, actions and support that have been agreed. This record will be shared with all relevant staff, and you will be given a copy.</p> <p>If you have concerns that arise between these meetings, please contact your child's class teacher.</p>	
<p><b>How will I know my child is making progress? How do you check on this?</b></p>	<p>We will evaluate the effectiveness of provision for your child by:</p> <ul style="list-style-type: none"> <li>• Reviewing their progress towards their goals each term</li> <li>• Reviewing the impact of interventions after the maximum of one term</li> <li>• Monitoring by the SENDCO</li> <li>• Using provision maps to measure progress</li> <li>• Holding an annual review (if they have an education, health and care (EHC) plan)</li> </ul> <p>The Director of Inclusion and Inclusion Leads will hold Inclusion Reviews at least once a year where they visit schools and look at the impact of provision for children with SEND.</p> <p>The Trust SENDCOs meet termly to share practice and advice amongst each other. This provides opportunities for schools to develop their SEND Provision further.</p> <p>The SEND Trustee in The Link Academy has a strategic role of ensuring high-quality, inclusive education for all pupils with SEND across the trust schools. This involves providing strategic oversight, ensuring legal compliance, supporting school leaders, monitoring the trust's SEND provision and championing the needs of pupils with SEND. The SEND trustee acts as a link between the board of trustees, the Director of Inclusion and the Senior Leadership Team and are responsible for promoting an inclusive culture throughout the organisation.</p>	<p><b>How the effectiveness of provision is evaluated</b></p>
<p><b>How will my child be included in activities outside</b></p>	<p>All of our extra-curricular activities and school visits are available to all our pupils, including (where suitably trained staff are available) our before and after-school clubs. If staff are unable to attend an after-school hours club and a child needs support, a parent may be invited to attend alongside their child.</p>	<p><b>How pupils with SEND are enabled to engage in activities available</b></p>

2025-2026

<p><b>the classroom, including school trips?</b></p>	<p>All pupils are encouraged to go on our school trips, including our residential trips and we will make adjustments wherever possible to ensure this. All pupils are encouraged to take part in sports day, school plays, special workshops etc. and where we are unsure of suitability this will be discussed with the parent. No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included.</p> <p>We have the following support available at the start and end of the day and during unstructured times: meet and greet, morning activities to provide a softer start to the day, alternative quiet activities during play and lunchtimes and designated adults on duty in the playground.</p> <p>Pupils with SEND are encouraged to contribute to all parts of school life. This includes being part of the ethos group, extra-curricular activities and pupil voice groups.</p>	<p><b>with those in the school who do not have SEND</b></p>
<p><b>How will you support my child's overall well-being?</b></p>	<p>All children access the PSHE curriculum and have access to pastoral support through explicit taught lessons as well as support from classroom staff. Children have opportunities to learn about internet safety, PANTS rule and are always able to speak to staff</p> <p>We provide support for pupils to progress in their emotional and social development in the following ways:</p> <ul style="list-style-type: none"> <li>• We provide extra pastoral support for listening to the views of pupils with SEND (e.g. through our Relational approach)</li> <li>• We have a 'zero tolerance' approach to bullying. Please see anti-bullying policy.</li> <li>• All staff have trained in the Relational Approach where we put relations at the heart of school life and use compassion and an understanding of regulation to support all pupils</li> <li>• We use a range of resources to support children with understanding and being able to communicate how they are feeling</li> <li>• Where children have difficulty managing these big emotions, the team around the child will produce a co-regulation plan for all staff to follow to help the child at these times.</li> </ul>	<p><b>Support for improving emotional and social development</b></p>

## SEND Information Report

2025-2026

	<p>Where there are significant concerns about a child's behaviour, a meeting is organised with the Director of Inclusion, Inclusion Lead, Academy Head, SENDCO and where possible, the CEO. This is to discuss the provision in place for this child and identify any next steps to further support.</p> <p>Where children are finding it difficult coming to school, we will organise a meeting with parents and gain the children's views and then work together to make a plan to support the child with their attendance. This plan will identify the end goal and the small steps that are needed to achieve that goal.</p> <p>Children are encouraged to share their voice through Pupil Profiles, their views on their Provision Maps, gaining their views before meetings and being part of school council and other groups within school. If needed, we will use visuals to support the children in sharing their views.</p> <p>Information about administering medications can be found on the school website here: <a href="https://www.broadhembury.thelink.academy/goto/363615?slug=policies">https://www.broadhembury.thelink.academy/goto/363615?slug=policies</a></p>

2025-2026

Involving families		
<p><b>How will you help me to support my child's learning? When will we be able to discuss my child's progress?</b></p>	<p>We share progress information with parents/carers by holding termly parent meetings, reviewing Provision Maps, Annual Reviews of EHCPs and in some cases Team Around the Family meetings. We also send a school report each year.</p> <p>There are regular informal opportunities for contact about the child's progress in school through telephone calls or face to face communication. Initially, this would be with the class teacher. The SENDCO would be involved as appropriate</p> <p>Parents are invited to attend a Parents' Evening appointment twice a year to discuss their child's progress. They will also receive an end of year school report. Additionally, we hold regular open classroom events, drop in sessions and regular updates and communication through ClassDojo.</p>	<p><b>Arrangements for consulting with parents/carers of children with SEND and involving them in their child's education</b></p>
<p><b>How will my child be able to share their views?</b></p>	<p>The level of involvement will depend on your child's age, and how confident they are at sharing their views. We recognise that no two children are the same, so we will decide on a case-by-case basis, with your input.</p> <p>We may seek your child's views by asking them to:</p> <ul style="list-style-type: none"> <li>• Attend meetings to discuss their progress and outcomes</li> <li>• Prepare a presentation, written statement, video, drawing, etc.</li> <li>• Discuss their views with a member of staff who can act as a representative during the meeting</li> <li>• Use visuals to show their views</li> </ul> <p>Where a child might find it difficult to share their views, they will be supported by a trusted adult and use visuals and alternative ways of communicating as needed.</p>	<p><b>Arrangements for consulting with children with SEND and involving them in their education</b></p>
